

Hep Can't Wait!

Let's take action on liver health and viral hepatitis for World Hepatitis Day, 28 July 2022

Applications for 2022 World Hepatitis Day incentives are now open!

In 2022 the global theme is 'Hepatitis Can't Wait'. LiverWELL is committed to collaborating with communities and workforce to address the urgency needed to take action on liver health and viral hepatitis.

We invite community and not-for-profit organisations to apply for **incentives of up to \$1000** to provide events and activities which increase awareness and engagement around World Hepatitis Day, especially among communities affected by viral hepatitis and liver disease.

Further information can be found [here](#)

We are looking for innovative ideas that keep the safety of your community in mind. Activities can be face to face or online. You can view examples of previous events and ideas [here](#)

World Hepatitis Day is recognised by the World Health Organisation each year on 28 July as a chance to raise awareness of hepatitis.

If you have any questions or would like an offline application form contact: chloe@hepvic.org.au

Please share this information among your colleagues and networks.

Applications close 5pm on 4 June
We look forward to receiving yours!
