## Notes for teachers/educators

*This activity help participants test their vocabulary. Participants can learn about important words used to talk about health and staying healthy in English.*

### Instructions for the activity:

1. Each participant will get a 'word card' or a 'picture card'.
2. Participants try to pair the word with the correct picture.
3. Participants can move around the room and talk to other participants to find their pair.

### Tips for participants:

- Encourage participants to practice their speaking skills by asking other participants what their card is.

### Other activities:

#### Memory card game

1. Shuffle the cards and place the cards face down.
2. Each participant will take turns choosing two cards at a time to find the matching 'word' and 'picture' card. Flip the card over.
  - a. Turn the cards face down again if no match is found.
  - b. Take the cards if a match is found.
3. Take turns with each participant until all cards have been matched.
4. The participant with the most correct matches wins.

#### Matching cards together as a group (For beginners)

1. Place all cards face up on the table.
2. Work together as a group to match all the cards.
